RE: Neighborhood Signs

Dear Sir or Madam:

We, the undersigned residents of Heron's Walk subdivision, are submitting this request to you because of our concern that many motorists are using our neighborhood as a "cut through" to Tabb High School and speeding as they do so. We have residents who have counted as many as 42 vehicles cutting through in less than ten minutes time. Many of these motorists exhibit the attitude that they do not need to follow the 25-MPH speed limit while using our neighborhood road. It is not only in the early morning hours that motorists take advantage of the speed limit, but throughout the day as well as on weekends. We have families with young children that walk through the neighborhood and we are very concerned that without the enforcement of the speed limit, an accident is only waiting to happen. We are hoping that you will find a need, as we all do, to add the "ADDITIONAL \$250.00 FEE FOR SPEEDING" sign to our neighborhood, as is the case in many of the surrounding neighborhoods.

Sincerely,
Residents of Heron's Walk Subdivision

President:
